SIR,

I have the honour to state that the
and Sri Venkataramanaswamy
temples of Sri Uma Maheswara Swamy at
Chintamani are inamati institutions endowed
with cash grant. The temples have no other
funds on account of establishment charges,
but three shops have been constructed on each
side of the temple in the year 1894 and the rent
realized therefrom is being utilized towards
the pay of the establishments maintained
in the temples. The rent realized is being credited
the Savings Bank in the name of the Amildar
who

who withdraws the amounts every month and makes disbursements to the employes in the temples.

2. The Comptroller has now objected to the continuance of this practice and observed that the Savings Bank account should be closed and the realizations from the shops should be credited to Mujrai Funds, the establishments being paid on bills cashed at the Treasury in accordance with a Scale of expenditure sanctioned by Government as in the case of other Government Institutions. A scale of expenditure that may be incurred in these temples, is accordingly prepared and submitted herewith & I request that you will be so good as to obtain sanction of Government thereto.

2. The file of Vernacular Correspondence bearing on the subject together with the Comptroller's objection statements is enclosed

enclosed for reference.
